Definition of "family" is one Cub, his or her spouse, and any children of theirs living at home. Therefore, all children of a Tiger vet, i.e., each sibling Cub living on his or her own, would need his or her own membership, as would any of those Cubs' children or grandchildren no longer living in a Cub's household."

___ \$25 for single or family membership (waived for WWII Tigers and spouses)

___ \$10 for single or family membership (for active duty personnel)
